# TIMBER KING

## NEW Q Muffler

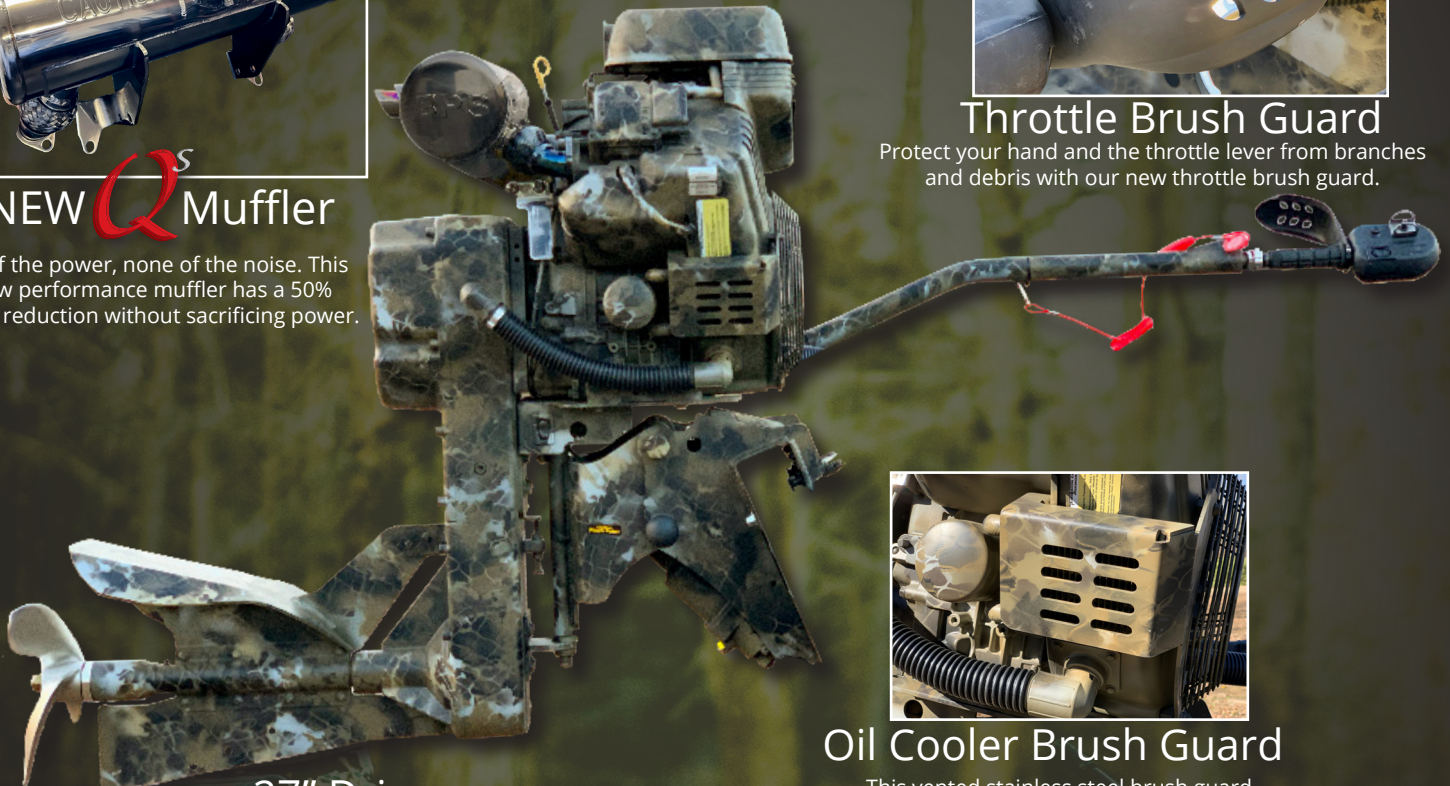

All of the power, none of the noise. This new performance muffler has a 50% noise reduction without sacrificing power.

Shown in Optional OPTIFADE™ Timber

## Throttle Brush Guard

Protect your hand and the throttle lever from branches and debris with our new throttle brush guard.

## 27" Drive

With a shorter drive this motor offers incredible maneuverability while navigating flooded timber and tight channels.

## Oil Cooler Brush Guard

This vented stainless steel brush guard, keeps your oil cooler protected while pushing through thick brush and trees.
