TIMBER KING

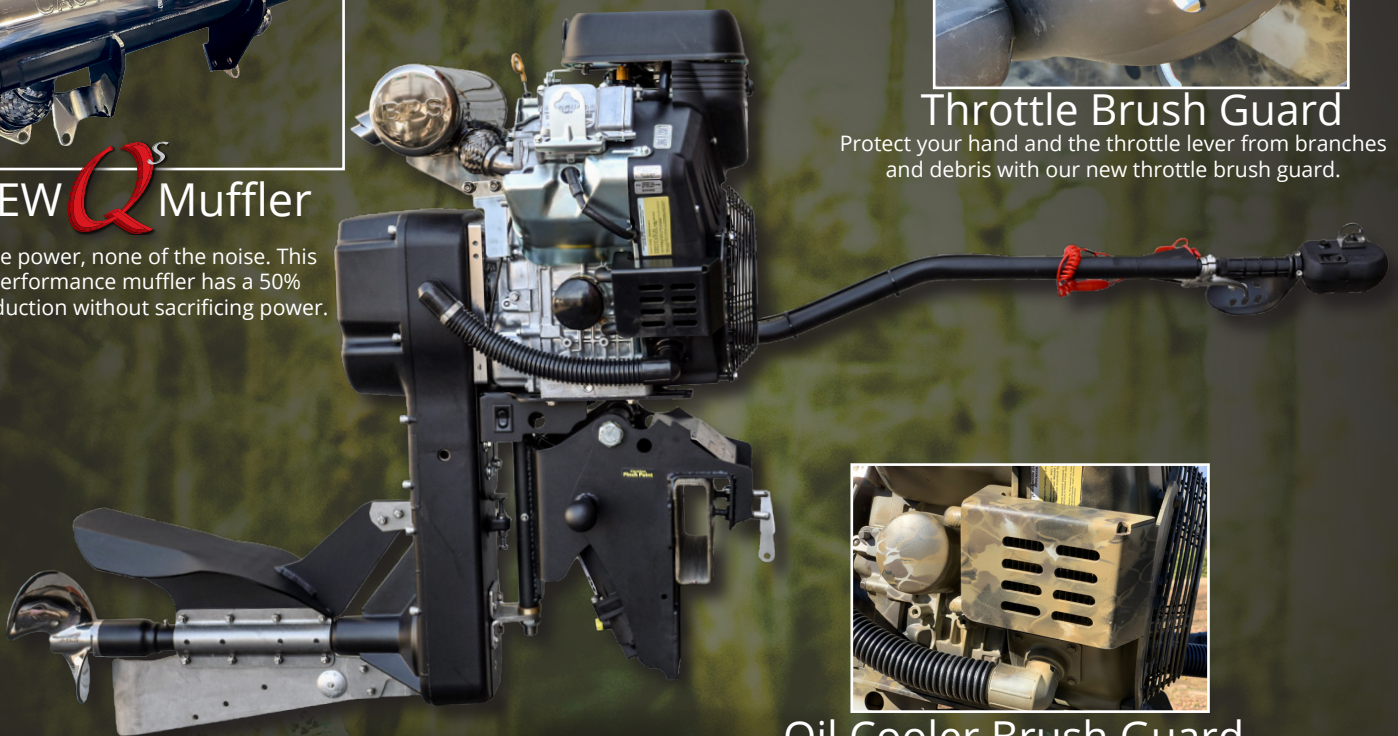

NEW **Q** Muffler

All of the power, none of the noise. This new performance muffler has a 50% noise reduction without sacrificing power.

Throttle Brush Guard

Protect your hand and the throttle lever from branches and debris with our new throttle brush guard.

27" Drive

With a shorter drive this motor offers incredible maneuverability while navigating flooded timber and tight channels.

Oil Cooler Brush Guard

This vented stainless steel brush guard, keeps your oil cooler protected while pushing through thick brush and trees.
